"Everyone was extremely talented, professional, and nice. Very very family friendly. The entire outfit runs like a well oiled machine! Our family will not miss the next time they come through."
Robert Walden, Moultrie, GA

"What an incredible circus experience. Intimate in size, highest caliber talent, costumes and equipment in pristine condition, and total professionalism from the entire staff. The troupe seems to take great pride in their craft. The show was nostalgic in style, yet the acts were very fresh. I enthusiastically recommend Dusty's All Star Circus."
Doug Landreth

"It was truly the most enjoyable 1.5 hours that we've spent together in a very long time!"
